WATER EDUCATIONAL OUTREACH TOUR

Coordinated by the Water Division's Employee P.R.I.D.E. Committee

MISSION: Our employees provide guided tours for new employees and others through Water Division field and office operations which includes descriptions of work being performed, scope of work, work requirements, working environment and community impact.

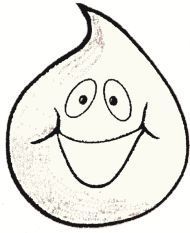

GOALS: Demonstrate how the Division meets the water needs of the community. Give a comprehensive overview of Water Division activities, promote an understanding and increased awareness of the type of work and working environment of those employed in the Water Division.

TOUR INFORMATION: All City employees and the public are welcome to visit our operations. Although special arrangements can be made, typical tours are scheduled for the second Tuesday of each month. Tours are limited to five participants. Tours begin at 8:00 AM and last up to 4 hours. This is both an indoors and outdoor tour. Travel is provided to field sites. Wear comfortable clothing and comfortable closed toe walking shoes. Call Lynn Gerard 621-5376 or Christian Pirok 621-5374 to schedule a tour.

LOCATION:

Division offices are located at 1910 East University Avenue (N/E of Blackstone and McKinley, south side of Ratcliff Stadium). We have two visitor parking spaces within the fenced area next to Division offices. All other parking is along University Avenue.

CITY OF FRESNO WATER DIVISION
